# PRESS RELEASE

## TECHNOLOGY PARTNERS WINS CLEARLYRATED'S 2019 BEST OF STAFFING® CLIENT AND TALENT DIAMOND AWARDS

*Diamond Award winners have won the Best of Staffing Award for at least 5 years in a row, consistently earning industry-leading satisfaction scores from clients and job seekers.*

**St. Louis, February 11, 2019:** Technology Partners, Inc, Technology Partners, a nationally certified women-owned IT solutions and staffing agency, announced today that they have earned [ClearlyRated's Best of Staffing® Client and Talent Diamond Awards](#) after winning the Best of Staffing Client and Talent Awards at least five years in a row. Presented in partnership with CareerBuilder, ClearlyRated's Best of Staffing winners have proven to be industry leaders in service quality based entirely on ratings provided by their clients and the candidates they've helped find jobs.

Focused on helping to connect people with the right job openings at companies of all sizes, Technology Partners received satisfaction scores of 9 or 10 out of 10 from 82% of their clients and 79% of their talent, significantly higher than the industry's average. With fewer than 2% of all staffing agencies in the U.S. and Canada earning the Best of Staffing Award, just 35% of the 2019 Best of Staffing winners earned the Diamond Award distinction. The winners of this award truly stand out for exceeding client and candidate expectations.

*"This is an unbelievable honor and to keep our diamond status for another year means so much to our team. To hear from our clients and staff that we are keeping on track and maintaining their exceptional experience is not something we take lightly, and we will strive to continue exceeding expectations for all of our partners.*

- Lisa Nichols, CEO, Technology Partners, Inc.

*"In today's historically tight labor market, hiring managers and job seekers need a clear and reputable way to vet potential staffing and recruiting partners. Best of Staffing winners have set themselves apart by demonstrating their ongoing commitment to client and candidate service, consistently investing in a survey and feedback program that brings transparency to the client and talent experience at their firm. I'm*

*thrilled to showcase these service leaders alongside their validated client and talent ratings on ClearlyRated.com!*

- *Eric Gregg, CEO, ClearlyRated*

### **About Technology Partners**

Technology Partners, Inc. is an award-winning, certified Women Business Enterprise that provides premier IT staffing and solutions. In their over two decades of experience, they have partnered with hundreds of clients across a range of industries nationwide, with some client and consultant relationships that have lasted as long as they've been in business. Built upon a revolutionary transparent-margin business model, Technology Partners provides better value for their clients while giving their consultants higher salaries and career control. Founded by a former IT consultant, they're committed to partnerships with clients and consultants in thoroughly understanding their needs and providing them with the utmost service.

### **About ClearlyRated**

ClearlyRated (formerly known as Inavero) administers more staffing agency client and talent satisfaction surveys than any other firm in the world, reporting on more than 1.2 million satisfaction surveys from staffing agency clients and job seekers each year. Committed to delivering ongoing value to the industry, ClearlyRated is proud to serve as the American Staffing Association's exclusive service quality partner. ### **About Best of Staffing**

ClearlyRated's Best of Staffing® Award is the only award in the U.S. and Canada that recognizes staffing agencies that have proven superior service quality based entirely on ratings provided by their clients and job candidates. Award winners are showcased by city and area of expertise on ClearlyRated.com – an online business directory that helps buyers of professional services find service leaders and vet prospective firms – based exclusively on validated client and talent ratings and testimonials.
